Introducing the SAVOY Referral Program

We attribute much of our business growth to word of mouth recommendations and we are forever thankful for it. We welcome and appreciate your referrals and to show our appreciation for sharing your confidence in us, we have developed the SAVOY Client Referral Program, an exceptional program designed to reward you for your recommendation.

REWARDING

The SAVOY Referral Program is a unique yet simplistic concept that enables almost any individual a chance to earn significant cash by referring prospects for Savoy's exceptional tax service! If you know any individuals who might use a professional tax preparer you are a good match for this opportunity.

Here's how it works...

When you distribute our tax service discount coupon with a "personalized code", we will pay you a referral fee for every new customer that becomes a client and presents your personalized coupon.

After you distribute a coupon (by hand, mail or email) your work is done! SAVOY takes care of everything else.

Why The SAVOY Referral Program?
